

## miffy is Dick Bruna's best known and most popular character

Featured in more than 30 books, far more than any other character he created, miffy is loved by children all over the world. Uncomplicated and innocent, with a positive attitude, miffy instils a sense of safety and she is always open to new experiences. Children can relate to miffy and enjoy sharing her many adventures.

In the Netherlands, miffy is known as "nijntje", which derives from the Dutch word "konijntje", meaning "little bunny". This is a logical name for people who speak Dutch, however may not be so for other languages. As "nijntje" may be difficult to pronounce for non-Dutch speakers, and because there are so many different words for "bunny" in other languages, Dick Bruna's little bunny (or could say "nijntje") is simply known to all as miffy. The name does not have any special meaning however is recognizable and relatable to all (or other) languages.

## miffy with ruler in cylinder

Get the children involved! miffy includes a waxed Amaryllis bulb and a ruler so children can track its height as the Amaryllis grows.

Our handmade wax amaryllis bulb is a specially selected large size bulb that does not need water. It holds enough energy to grow and bloom. This wax bulb has an image of miffy and only needs time for the beautiful flower to come out. The growth can be measured with the miffy ruler.
